

## AC August - September Prayer Newsletter

*Dear Friends and Supporters of Australian Christians,*

Grace and peace to you from God our Father and the Lord Jesus Christ! just as the long winter has ended with the emergence of warm, delightful weather and the newness of spring, we are entering a new and exciting time of our journey in AC. God is making a new path for us, and gave us a new plan and strategy to reach out to the local churches in the East Metro region, inviting the pastors and leaders to pray with us for their electoral district and share with them the vision and message of AC.

It is absolutely a journey of faith, as historically churches have not been very open to politics and political parties. There has not been much success in the past years to engage with pastors. However, this time round, God encouraged us with His word from Isaiah 43:18-21: "Forget the former things, do not dwell on the past. See, I am doing a new thing! Even now it sprouts and grows and matures; do you not perceive it? I am making a way in the wilderness, and streams in the desert....to give drink to my people, my chosen ones, the people I formed for myself, that they may proclaim my praise"

After months of prayer to prepare the ground, we are seeing a very different picture and the fruits of our labour is starting to show. We encountered amazing miracles of unexpected and incredible favour, divine appointments and connections, doors of opportunities opened to AC that have never opened before, and people's hearts and attitudes are changing. God is indeed making a way when there is no way, levelling mountains and raising up valleys to prepare the way of the Lord (Isaiah 40: 3-5). Such as the opportunity to set up an information booth at the ACC-WA (Australian Christian Churches network) conference where many participating churches can come in contact with AC, Maryka having an unexpected opportunity to speak about AC to over thirty pastors at a gathering, the intercessors network for AC has expanded to more than double in size overnight, with intercessors from other churches committing themselves to pray for AC until the election, and very positive responses from some local churches who prayed with us decided to support AC and opened their network to us for prayer, candidates, and volunteers. Even churches and pastors who have not heard of AC or never engaged in politics before are for the first time starting to open up to AC and willing to hear from us! Praise God and we give all the glory to Him.

In our prayers with the local churches and pastors we are standing in the gap as one body of Christ -the spiritual and political representatives joined as one people who are called by His Name to humble ourselves and seek His face in repentance, asking Him for forgiveness and healing of our land (2 Chronicles 7:14). We re-establish the covenant of God with the land and its people through His blood, and prayed for revival and blessing over the electoral district. This may be the first time ever in WA history that churches and the Christian political party united in one heart, mind and spirit to pray for the land and for the election!

The unity and presence of God in the prayer meetings were so powerful and palpable, breaking strongholds in the spiritual realm, creating open heavens for the kingdom of God to enter in and establish His righteousness on earth. Some pastors may not respond to us as readily as others, as this concept of prayer or partnership is quite new to some.

But as we move through these open doors as led by the Spirit, God gave us His grace and wisdom to convey His truth and heart desire in love and humility, challenging mindsets and belief systems that are not of Him, and conforming them to His own. Even though we may not see the desired outcome immediately, every seed sown and every connection and relationship built is precious to the Lord. We believe as we continue to pray for them, His Spirit will water over these seeds and in His time they too will sprout and grow, and the body will be built up into Christ who is the Head, reaching unity in the faith and in the knowledge of the Son of God, attaining to the whole measure of the fullness of Christ (Ephesians 4:12). This unity between the spiritual and political parts of the body of Christ is so important and crucial for WA to be reclaimed and won back for the Lord, not only in this election but for His eternal purpose to be fulfilled in our nation and beyond.

We continue to pray for open hearts and new mindsets to embrace the vision of AC, for unity of Spirit in the body of Christ as we advance the kingdom of God, and for more potential candidates from the churches to be awakened and respond to the call of God to stand for AC in this election. We pray that His sheep will hear His voice, the One voice from the Chief Shepherd, the Lord and Father of all, who is speaking the same message to His family and children all across the Body, whether they are inside or outside of the church, or in the seven mountains of influence. We pray that this voice will reach and resonate in the ears and hearts of all His people, from the pastors to the congregation, from the candidates to the booth worker, from the IT person to the graphic designer, people of all generations singing in unison to the same tune of the “song of the Lord” even daringly for the first time in their lives, encouraged and enthused by it and transmitting it far and wide, in magnitude and intensity until it merged into a choir and a symphony.

The mountains and the whole universe vibrates at the sound of this song and everyone even the unsaved are attracted to and impacted by the beauty and power of this song which is releasing freedom in this nation, strengthening families, healing and restoring lives as our law are aligned to His precepts. Indeed, this was exactly the vision given to AC during our office prayer altar, and we are seeing our prayers being answered and the visions being fulfilled one by one. Hallelujah!!

**Praise His holy Name!! What an awesome God we serve!! Please join me in prayer to exalt His holy Name.**

*Dear Heavenly Father,*

*We thank You and praise You from the depth of our heart for all the miracles that you are doing and about to do in our midst. You are a great and awesome God, there is none like You.*

*We declare and rejoice that You are indeed doing a new thing in AC, making a way for us in the wilderness and streams in the desert, so that we whom You have chosen and shaped for Your glory, may proclaim Your praises*

*Give us new heart and mind to receive your vision and plans for AC, and wisdom and boldness to express them in and through us. Inspire us and teach us how to share it with those around us, to sing this new song which came from You to us, and through us to the rest of Your body. Clear the obstacles ahead of us and renew our hearts and minds to conform with Yours, until all of us are singing Your new song in unison with increasing momentum to fulfil Your mighty purposes.*

*We are so blessed and excited to be Your choir and symphony, with You as our Conductor. We put our total trust in You, our Commander-in-chief, to lead and guide us every step of the way, and to provide for us in this brand-new journey, until we enter our promised land. We look forward to the glorious day when all of WA and the Great Southland of the Holy Spirit is filled with the sound of Your praises, and Your glory fills this earth as the waters cover the sea!!*

*Amen!*
