

## AC June – July Prayer Newsletter

*Dear Friends and Supporters of Australian Christians,*

May I extend my warmest greetings to you in the love and grace of our Lord Jesus Christ. Praise God for His faithfulness in leading AC through another month of our prayer journey.

Many of us may agree that we are living in perilous times not unlike that of Esther's in the bible, with the power of darkness seeking to destroy the Christian heritage of our nation. Yet God has a plan of deliverance and restoration as He has prepared many of us in strategic positions where we are called to arise and shine, to consecrate and surrender ourselves in purity and holiness; to come out of our comfort zone and come before the presence of the King in fasting and intercession like never before, to plead for the destiny of our nation to be turned around. We are so thankful that God is answering our prayers in raising up "Esthers" in our midst, even including our ACWA state Director Maryka Groenewald, who is standing as one of our candidates for the upcoming WA state election.

With the WA state election due early next year, AC is well into gear in preparation. We undergird every planning and activity with prayer and supplication as we wait on God for directions and strategies, from policy statements and our community outreach to meetings with pastors and leaders across the state. We are praying more godly Christians to rise up in response to His call as candidates for the election. We ask for His favour and wisdom as we reach out to our local churches and community with the vision of AC. We pray for more open doors in the body of Christ to support and partner with AC, as we believe God is preparing and bringing divine connections with the right people for AC. We give thanks for all the necessary resources that God will provide for His work to be done. We are setting ourselves apart, to lay a strong foundation as we build our prayer altar in preparation for the challenges and battles ahead, knowing that we will have the upper hand only as much as our altar is strong. Indeed we are so encouraged to see some of the fruits of these prayers as God is bringing likeminded people to strengthen and enlarge our prayer altar and partnership. We shall not be anxious but be in full faith that He will come through for AC.

During one of our weekly prayers, God gave us a powerful word of revelation from the book of Isaiah 22:20-24 -He will lay upon the shoulders of AC the key of the house of David, that AC will open doors that no one can shut, and shut doors that no one can open. He will clothe AC with His royal robe and sash of authority. He will establish AC in a firm place to be like a father to the house of God, and that AC in WA will be a seat of honour for the house of God, bringing glory to Him. All this seems to be far more than what we could ask or imagine, but with our God nothing is impossible, when His people are wholeheartedly committed to Him !

God has also given us encouraging visions during our prayers, that as AC prays, His kingdom is being advanced. Light is coming in through the window and doors are being opened bringing release of freedom on one side, and bringing provisions on the other. Indeed, God is raising up a mighty army in AC, as an instrument to open critical doors through this election and to bind every schemes of the enemy, bringing healing and freedom from captivity.

We believe that as we pray and reach out to others with the vision of AC, in the love and truth of our Lord Jesus Christ, the understanding of the political situation and the needs of our nation will shine as light out of AC to illuminate and impact on the broader Christian community. We can inspire others to share the same vision and heart for our nation, bringing clarity and unity to the body of Christ. We are reshaping our political landscape and preparing the way of the Lord for the revival that is to come.

Please join us to lift up AC for the work of His kingdom.

**Heavenly Father,**

*We give thanks to You, for You are good, Your love endures forever! We declare that You are the Way maker, Miracle Worker, Promise Keeper and Light in the darkness that shine in our hearts. There is nothing impossible for You. Thank you for leading us in triumphal procession in Christ, and use us to bring the fragrance of the knowledge of Christ to all the places You are sending us. Give us the keys of Your kingdom to open every door that You intended to open. Move and ignite every heart of ours to be Your torch-bearer, raise us up, and bind us together in one heart, mind and spirit from every corner of this land to become Your mighty army, to reclaim this land for You. In Christ most mighty and peerless Name, Amen.*
