## WE BELIEVE

- 1.** In strengthening young people, families, and marriages. Improve funding for mental health and counselling services available to families.
- 2.** In promoting choice and healthy school environments for both student and teacher.
- 3.** That NO human life should be for sale. AC supports the Nordic approach to reduce trafficking and child exploitation.
- 4.** In good stewardship of State finances. AC calls for greater accountability in local and State departments.
- 5.** In protecting the most vulnerable - the orphan, the elderly, the homeless, the refugee and the unborn.
- 6.** In the power of reconciliation. AC is committed to fight for the disempowered, including Indigenous brothers and sisters.
- 7.** In being good caretakers of our environment. Reducing harmful plastics and improving WA's recycling system.
