YOUR VOTE MATTERS

MAKE IT COUNT!

SHIELDING CHILDREN AGAINST DAMAGING IDEOLOGY:

AC will continue to stand against gender ideology in schools that aim to remove the biological reality of male and female. Let kids be kids.

DEFENDING THE UNBORN:

Both Labor and the Liberals are backing dangerous new abortion laws in WA. Only Australian Christians will fight this legislation to protect both mother and baby. It is inhumane that babies who have survived failed abortions, have been left to die in WA hospitals.

PROTECTING RELIGIOUS EDUCATION AND EXPRESSION:

Australian Christians have tirelessly defended religious education, freedom and parental rights. Parents and schools should have the right to preference who they employ.

ADVOCATING FOR THE WHOLE COMMUNITY:

Homelessness, domestic violence and cost of living pressures are affecting the people of Rockingham and Western Australia. Sustainable funding and better collaboration are needed to meet these challenges.
